

Sugar Queen

And the Straight Blues Band

Roots Music Report voted SUGAR QUEEN's 340 Blues CD #9 in the Top Chicago Blues Album Chart for the Year of 2018. Taking inspiration from her paternal roots in Alabama, Sugar Queen is back with a new release, **Sugar Queen LIVE**. Blues with passion and grit! Singing with raw and honest vocals, Sugar Queen brings seven new original songs in addition to three originals from her debut album. Michele Denise, known as Sugar Queen, is a versatile American vocalist and songwriter, who performs blues in Europe, US, Asia and is currently based in the Netherlands/Belgium.

Michele Denise, lives up to her band name which is immediately apparent in her first song, it is straight blues indeed. This 'Sugar Queen' is sometimes sweet-voiced and sometimes bombastic."

-The Blues Alone (Nicolette Johns, Managing Editor/Reporter)

"We hear a phenomenal voice that sings its own roots, deeply penetrating in heart and soul. Spiritual with full spirit."

-Guy Cuypers, Rootstime Belgium
